The Birth of Venus Jan 18 2022 Alessandra Cecchi is not quite fifteen when her father, a prosperous cloth merchant, brings a young painter back from northern Europe to decorate the chapel walls in the family's Florentine palazzo. A child of the Renaissance, with a precocious mind and a talent

for drawing, Alessandra is intoxicated by the painter's abilities. But their burgeoning relationship is interrupted when Alessandra's parents arrange her marriage to a wealthy, much older man. Meanwhile, Florence is changing, increasingly subject to the growing suppression imposed by the fundamentalist monk Savonarola, who is seizing religious and political control. Alessandra and her native city are caught between the Medici state, with its love of luxury, learning, and dazzling art, and the hellfire preaching and increasing violence of Savonarola's reactionary followers. Played out against this turbulent backdrop, Alessandra's married life is a misery, except for the surprising freedom it allows her to pursue her powerful attraction to the young painter and his art. *The Birth of Venus* is a tour de force, the first historical novel from one of Britain's most innovative writers of literary suspense. It brings alive the history of Florence at its most dramatic period, telling a compulsively absorbing story of love, art, religion, and power through the passionate voice of Alessandra, a heroine with the same vibrancy of spirit as her beloved city.

Heart of the Redeemer Nov 04 2020 A revised, updated edition of this classic work on the Sacred Heart of Jesus. Dr. Tim O'Donnell examines the doctrinal roots of the devotion to the Sacred Heart in Scripture and in the Apostolic and Patristic ages; charts its growth and development through the Middle Ages; explains the enormous contribution of Saint Margaret Mary Alacoque; and unfolds the teachings of the Papal Magisterium on the Sacred Heart, including Vatican II and John Paul II. The book also includes photographs illustrating the development of the devotion. Devotion to the Sacred Heart is intimately linked to our response in love to the Eucharistic Christ. It lies at the core of Catholic spiritual life and is the key to effective renewal of individuals, the Church and the world. For those who haven't yet lived this devotion--or who want to understand and live it more fully--they will discover its richness and beauty in *Heart of the Redeemer*. Years of careful research have produced a one volume synthesis of how the devotion to the Heart of Jesus has developed over the centuries. The result is a moving overview of how the love for Jesus Christ has grown in the hearts of the faithful from Calvary to the present day.

Secrets of the Sacred Heart Jun 23 2022 Do you yearn for the peace, protection, and joy of a Christ-centered home? The Sacred Heart of Jesus is the answer. Bestselling and award-winning author Emily Jaminet takes up each of the twelve promises Christ made to St. Margaret Mary Alacoque in a series of visions, puts a fresh new spin on the classic Catholic devotion, and invites you and your family to experience the profound spiritual benefits you will receive when you keep the Sacred Heart of Jesus at the center of your home. Appearing to her in a series of visions in 1673, Jesus promised St. Margaret Mary Alacoque that those who "expose and honor his most Sacred Heart" will find peace in the home, consolation in sorrow, and a source of refuge in times of trouble. In *Secrets of the Sacred Heart*, Emily Jaminet—executive director of the Sacred Heart Enthronement Network—weaves personal testimony, teachings, and reflection questions while exploring and applying each of Christ's promises. Jaminet will guide you through a special enthronement ceremony to dedicate your home and inspire you to a lifelong devotion to the Sacred Heart. Whether you have already consecrated your home or are newly embarking on the journey of discovering the graces of this ancient practice, you will find a personal encounter with Jesus, who promises: peace in your home, safe refuge in life and death, blessings on your undertakings, an infinite source of mercy, and a restored and enlivened faith for those who surrender themselves wholly to Christ. Cracked and Crushed Jul 20 2019 He's Cracked... Reaver has always been a little weird, a little strange, okay MORE than a little of each. His psyche cracked right down the middle a long time ago. He holds the official title of 'Treasurer' for the Sacred Hearts MC but he's much more than that. He's the club's enforcer, the one they call on when things need to be done quickly, quietly, efficiently and have no traces left behind. Which is good for Reaver, very good, because it keeps the monster inside his head satisfied and in check for the most part... but then Hayden Michaels entered the picture and Reaver decided that he wanted much more. She's Crushed... The day was supposed to be the happiest day of Hayden's life, instead it left her crushed beneath a pile of emotional rubble. Is it any surprise that Reaver would be the one to pull her from the emotional wreckage left behind? Sweet, funny, caring Reaver with eyes like the bluest winter skies and a smile that left her breath hitching every time he turned it on her. Trouble is, Reaver has a darker side, one that he has never given Hayden any illusions about. Will it be something Hayden can handle? Or will the cracks his psyche contains be the cracks in the dam that crushes her under a river of never ending pain? ****Mature Audiences Only (18+)****

France and the Cult of the Sacred Heart Dec 17 2021 In a richly layered and beautifully illustrated narrative, Raymond Jonas tells the fascinating and surprisingly little-known story of the Sacré-Coeur, or Sacred Heart. The highest point in Paris and a celebrated tourist destination, the white-domed basilica of Sacré-Coeur on Montmartre is a key monument both to French Catholicism and to French national identity. Jonas masterfully reconstructs the history of the devotion responsible for the basilica, beginning with the apparition of the Sacred Heart to Marguerite Marie Alacoque in the seventeenth century, through the French Revolution and its aftermath, to the construction of the monumental church that has loomed over Paris since the end of the nineteenth century. Jonas focuses on key moments in the development of the cult: the founding apparition, its invocation during the plague of Marseilles, its adaptation as a royalist symbol during the French Revolution, and its elevation to a central position in Catholic devotional and political life in the crisis surrounding the Franco-Prussian War. He draws on a wealth of archival sources to produce a learned yet accessible narrative that encompasses a remarkable sweep of French politics, history, architecture, and art.

In the Company of the Courtesan Sep 02 2020 My lady, Fiammetta Bianchini, was plucking her eyebrows and biting color into her lips when the unthinkable happened and the Holy Roman Emperor's army blew a hole in the wall of God's eternal city, letting in a flood of half-starved, half-crazed troops bent on pillage and punishment. Thus begins *In the Company of the Courtesan*, Sarah Dunant's epic novel of life in Renaissance Italy. Escaping the sack of Rome in 1527, with their stomachs churning on the jewels they have swallowed, the courtesan Fiammetta and her dwarf companion, Bucino, head for Venice, the shimmering city born out of water to become a miracle of east-west trade: rich and rancid, pious and profitable, beautiful and squalid. With a mix of courage and cunning they infiltrate Venetian society. Together they make the perfect partnership: the sharp-tongued, sharp-witted dwarf, and his vibrant mistress, trained from birth to charm, entertain, and satisfy men who have the money to support her. Yet as their fortunes rise, this perfect partnership comes under threat, from the searing passion of a lover who wants more than his allotted nights to the attentions of an admiring Turk in search of human novelties for his sultan's court. But Fiammetta and Bucino's greatest challenge comes from a young crippled woman, a blind healer who insinuates herself into their lives and hearts with devastating consequences for them all. A story of desire and deception, sin and religion, loyalty and friendship, *In the Company of the Courtesan* paints a portrait of one of the world's greatest cities at its most potent moment in history: It is a picture that remains vivid long after the final page.

Ancient Devotions to the Sacred Heart of Jesus Dec 25 2019 "Coming from the deep silence and asceticism of mediæval Carthusian monasteries, this book's prayers and meditations have a unique ardour that reflects the genuine spirituality of their authors. Devotion to the Sacred Heart Nov 16 2021 Devotion to the Sacred Heart is a powerful little booklet filled with many of the treasures to be found in the veneration of the Sacred Heart of Jesus. Besides containing an explanation of the symbolism found within the Image of the Sacred Heart, it also includes explanations of the 9 First Fridays devotion, known as The Great Promise, the miraculous cure of St. Gemma Galgani as well as many profound exhortations to offer reparation to the Sacred Heart. Authoritative and moving, Our Lord instituted this devotion Himself, saying: "I set neither limit nor measure to My gifts of grace for those who seek them in My heart." In our age of religious indifference, when fervor and charity have grown cold, Jesus exhibits to the world His Sacred Heart as the symbol of God's infinite love showing His Divine Heart as a furnace whose burning rays of love are able to reanimate faith and rekindle love in hearts grown cold and ungrateful pg. 4-5

Poems of a Soul to the Sacred and Blessed Heart of Jesus Oct 03 2020 The being who came to Earth as Jesus Christ is no longer here, but the consciousness that he incarnated - i.e. the 'Christ Consciousness' - remains ever-present. Throughout history visionaries and seers have contacted

this consciousness and brought messages from it to humanity. In this contemporary expression, Friar Elias de Sagrado Corazon de Jesus - a monk of the Ecumenical Grace-Mercy Order - transmits poems from this Christ-consciousness. These poems inspire us with courage and commitment to face the difficult times that we live in and elevate us to a higher level of spiritual understanding. In them Christ says: "I would like you to be so similar to me in devotion, purity and sincerity because beyond the imperfections of life and of human appearances, in the depths of each being, there is an inner Christ capable of conducting your lives and your souls towards My Celestial Church." This Christ-consciousness thus reminds us that within each of us is an 'inner Christ' and that the process of spiritual transformation is one of 'Christification' in which we realize this Christ within. May these poems inspire you and encourage you in your journey.

Apex Of The Curve Aug 01 2020 Fenris had always considered himself a lone wolf among the pack when it came to the club life. Though now that his best friend had found an ol' lady of his own, he had started entertaining the idea for himself. He never took stock in the old adage 'be careful what you wish for' but then Aspen was suddenly standing in front of him with those big, hard-to-resist green eyes and he was smitten. Aspen's life had been turned upside down and inside out through a series of unbelievable and unfortunate events - and the hits just kept on coming. She wasn't sure if her luck was turning or getting worse when she woke up in the badass biker's bed, but Fenris knew... She was just at the apex of the curve in the road her life had taken.

Sacred Hearts Sep 26 2022 The year is 1570, and a new novice has just been forced into the Italian convent of Santa Caterina. Ripped by her family from the man she loves, sixteen-year-old Serafina is sharp and defiant. Her first night inside the walls is spent in an incandescent rage so violent that the dispensary mistress, Suora Zuana, is dispatched to the girl's cell to sedate her. Thus begins a complex relationship of trust and betrayal. As Serafina rails against her incarceration, disorder and rebellion mount inside the convent, while beyond its walls, the dictates of the Counter-Reformation begin to impose a regime of oppression that threatens what little freedom the nuns have enjoyed. Acclaimed author Sarah Dunant brings the intricate Renaissance world compellingly to life in this rich, engrossing, multifaceted love story encompassing the passions of the flesh, the exultation of the spirit, and the deep, enduring power of friendship.

Meditations on the Sacred Heart Jan 26 2020 Consider this meditation: DEVOTION to the Sacred Heart consists in honoring, with a worship of adoration, love, gratitude, imitation, and reparation, the heart of Jesus, which, united hypostatically to the vVord, is the heart of God, the source and fulness of graces, the perfect model of all virtues; and whose goodness, greatness, amiability, and generosity are alas! unrecognized on the part of men. This devotion, like that of the words of the cross, the sacred lance, the crown of thorns, and a multitude of others, has a double object: the one sensible and material, able to be perceived by the senses, or represented by the imagination; the other wholly spiritual, but having the closest relations with it. The sensible object is that heart, which living and animated was the organ of the feelings of our divine Savior, and which reminds us of them, as being their most direct, truest, and most expressive symbol. The spiritual object 'consists in those very feelings, the interior dispositions of Jesus Christ! his love for his Father, his love and tenderness for men, his joy, his sorrows, his wishes. The Blessed Margaret Mary gives us to understand and distinguish. this double object, when she says: " The divine Master assured me that he felt singular pleasure in seeing the sentiments and love of his heart honored under the emblem of a heart of flesh, as he had shown me." The Church speaks in the same way in her office, where we read: "The Sovereign Pontiff, Clement XIII, has authorised the feast of the Sacred Heart, so that the faithful may, under that symbol, celebrate with more devotion and fervor, the charity of Jesus Christ suffering and dying for the salvation of the human race, and instituting, in memory of his death, the sacrament of his body and his blood. While giving glory to the Sacred Heart of Jesus we celebrate the memory of the principal favors of his love towards us." Let us admire here the simplicity and fitness of the means Jesus Christ has wished to make choice of. The heart is in fact the most natural emblem of love, goodness, and whatever there is of great, generous, and heroic in the soul: moreover, it receives the impression of all the feelings we experience. 'What Christian, then, could by meditation place himself in presence of the heart of Jesus Christ without recalling the sentiments of charity, tenderness, and compassion, with which that divine Savior was filled. "The heart of Jesus," says Pere Gautrelet,

"represents, and reminds us of the sacred humanity, whose noblest organ it was, and the divine pardon which penetrated it, raised it to the dignity of a divine heart, and imprinted the seal of divinity on all its movements and sentiments; the honor paid to Jesus Christ can be formalised in that we pay to his adorable heart." The end of devotion to the Sacred Heart, is to acknowledge, in a worthy manner, the love of Jesus for us; it is therefore to imitate the virtues of which he gives us an example to repair the crimes and ingratitude of men towards him, particularly in the adorable Eucharist. What Christian would not strive to realize that sublime end! Ah! how can we think of the wonders and the excess of the charity of the Son of God; how can we recall to mind that that love was the cause of the humiliations of his Incarnation, the labors of his life, the gift which he has given us of himself in his sacrament, the sacrifice he consummated on Calvary, and not be drawn to love him with the greatest love! All that is brought before us by devotion to the Sacred Heart. Therefore, whoever embraces its spirit and practice, cannot but share the sentiments of St. Liguori who exclaimed: "O all amiable heart of my Jesus, ' heart worthy to possess all hearts, heart resplendent with the flames of the purest love! O consuming fire, consume all my being, and give me a new life, a life of grace, a life of love."

A Heart on Fire Mar 08 2021 In *A Heart on Fire: Rediscovering Devotion to the Sacred Heart of Jesus*, Rev. James Kubicki, S.J., presents a persuasive and engaging guide to the Sacred Heart of Jesus, an age-old and often misunderstood Catholic devotion. He delves into the rich theological and spiritual roots of the devotion and demonstrates how the faithful may encounter the Sacred Heart of Jesus in one another, scripture, the sacraments, and especially in the Eucharist. Fr. Kubicki, former national director of the Apostleship of Prayer (now the Pope's Worldwide Prayer Network), brings to life the rich imagery associated with the devotion's history and provides a contemporary look at traditional devotions like the Twelve Promises, family consecration and enthronement, the Sacred Heart Badge, the Litany of the Sacred Heart, holy hours, and devotion to the Immaculate Heart of Mary.

Behold This Heart Jan 06 2021 True devotion to the Sacred Heart of Jesus moves us to ponder the unrelenting love of Jesus, fully human and fully divine, as He poured Himself out for the world. In these pages, Fr. Thomas Dailey transports you beyond the prayers and liturgies and helps you to contemplate the Sacred Heart, which Pope Benedict XVI said "has irreplaceable importance." Fr. Dailey shows you how to experience the way of prayer that formed St. Margaret Mary — the visionary to whom the devotion was revealed — in the religious order founded by St. Francis de Sales

and St. Jane de Chantal. Fr. Dailey's brilliant combination of Salesian spirituality and meditative devotion will enable you to respond to Christ's "divine affection" and experience God's love as never before. Through a series of nine reflections on the Sacred Heart, Fr. Dailey will show you: How you can live the devout life despite your many worldly responsibilities Proven ways you can release supernatural confidence and overcome fear The keys to developing the practice of mental prayer and entering contemplation How to listen for and discern God's will for your life Ways you can discover your personal spiritual vocation Why Pope St. Paul VI called the Sacred Heart devotion "the most effective means of promoting the reform of life and the defeat of atheism" With Fr. Dailey as your guide, these engaging meditations will transform you as you step through the pages of the greatest love story ever told.
