How to Study the Bible Jan 29 2020 The Bible is the inspired word of God, and every believer should study it in order to know the rich and vast content of God's divine provisions. When God speaks, He does so through His established eord. Therefore, we must study the Bible in a proper way in order to let the word of God dwell richly in our hearts. In order to study the Bible, we first must be proper persons, having passed through the necessary spiritual training under the Lord's leading and guiding. We must also use the right methods. Many good books have been printed on how to study the Bible, but most pay attention only to methods of studying the Bible; They do not pay enough attention to the person who studies the Bible. Even with the right methods, we can receive very little in our study of the Bible if Our person is not proper before the Lord.

Character Apr 13 2021 As we are learning to serve the Lord, we need to be in constant fellowship with Him and rely on His grace, but we also must be willing to address the matter of our character in order to be useful to the Master. The things which can be entrusted to us, the responsibilities we can bear, and the things we can accomplish are fully dependent on our character. In *Character Witness* Lee addresses the crucial matter of developing a proper character in those who love and serve the Lord. Beginning with a brief description of thirty essential character traits, Witness Lee provides a clear understanding of the importance of character and then presents clear examples of proper character from the Bible. Finally, he shows the relationship between our character and our capacity to effectively contact people in order to bring them into contact with the Lord. Ultimately, our effectiveness in reaching people for the Lord depends on our character.

Life-Study of John May 15 2021 In the Lord's recovery during the past five hundred years the church's knowledge of the Lord and His truth has been continually progressing. This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries. It is filled with the revelation concerning the processed Triune God, the living Christ, the life-giving Spirit, the experience of life, and the definition and practice of the church. In this set Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation, development, and expounding of the truths contained in the Scriptures. The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people; the second principle is that we should interpret, develop, and expound the truths contained in the Bible with Christ for the church; and the third governing principle is Christ, the Spirit, life, and the church. No other study or exposition of the New Testament conveys the life nourishment or ushers the reader into the divine revelation of God's holy Word according to His New Testament economy as this one does.

The Breaking of the Outer Man and the Release of the Spirit Mar 01 2020 "Every Christian who has believed into Christ and received Him has a desire to grow in Him. The greatest hindrances to the experience of the growth in life are not outward circumstances and environmental hardships; rather, they are a mind in need of renewing, a will in need of submission to God, and an emotion in need of stability. In the Breaking of the Outer Man and the Release of the Spirit Watchman Nee provides a clear picture of the need for the breaking of the outer man so that the life of Christ in our spirit can flow out as rivers of living water to refresh and build up the people of God.
